FARGAH PRODUCTS SHOWROOM

Our head office Products showroom

This structure is 20m in height x 12 m in width and is installed independently from the main structure of the building. The structure is 10 years old which reflects the durability, and aesthetics of the building.

Our specially formulated, precast stones were invented and manufactured by S Fargah, an Iranian mechanical and architectural engineer. The product is exclusively manufactured and patented internationally and is sent directly to Iran for local mass production.

Showroom address: Fargah Design Office, Gharlegi Ave, Kian Mehr, Karaj, Iran.
